

# Registration Requirements

To ensure a streamlined and compliant registration process, please carefully review and adhere to the following requirements:

1. **Age Limitation:**
  - You must be at least fourteen (14) years of age to register with United Virtual Airlines.
2. **Use of Real Name:**
  - It is mandatory to use your real name during the registration process. Fake names or aliases are not permitted.
3. **Single Registration:**
  - Registering on our website and Discord is a one-time process. Multiple registrations using different email addresses are strictly prohibited.
4. **Flight Simulation Software:**
  - Ownership of a licensed copy of one of the following flight simulation platforms is required:
    - Microsoft Flight Simulator 2004
    - FSX (Flight Simulator X)
    - FSX:SE (Flight Simulator X: Steam Edition)
    - MSFS2020 (Microsoft Flight Simulator 2020)
    - X-Plane
    - Prepar3D
5. **Active Email Account:**
  - A regularly accessed and active email account is necessary for communication purposes.
6. **Regulatory Agreement:**
  - By registering, you agree to abide by the regulations outlined in our manuals, including NOTAMS, memos, and any other company-provided documents.
7. **Application Requirements:**
  - Essential application details include Country of Residence and Date of Birth.
8. **VATSIM ID (Optional but Recommended):**
  - While not mandatory for joining, having a VATSIM ID is recommended to fully participate in our group flights, primarily conducted on VATSIM.
9. **First Flight Commitment:**
  - A commitment to complete your first approved PIREP **within 30 days of registration** acceptance is required to remain on our roster. Rejected PIREPs do not fulfill this requirement.
10. **Transfer Hours Policy:**
  - Transfer hours will not be accepted, as our pilots have the flexibility to fly any preferred aircraft at any time.

For additional details and clarification, please refer to [Note on item #9](#).

We appreciate your commitment to complying with these requirements, ensuring a smooth onboarding process and a positive experience as a member of United Virtual Airlines.
