Manage Your Flight Assignments with Ease:

Effortlessly navigate through your generated flights with our user-friendly tools. Here's a quick guide on how to handle your assignments:

1. Access Your Flights:

- Once flights are generated, locate them on your screen.

2. Add to Bids or Remove:

- Blue Plane Button: Click on the blue plane button to seamlessly add a flight to your bids.
- Red Trash Button: Remove a specific flight from your assignments by clicking on the red trash button.

3. Continuity in Your Journey:

- Flight assignments aim for a seamless experience, starting each new day where you concluded the previous one.
- Note: Occasionally, departure airports may vary, simulating a deadhead (reposition) to your new starting point for the day.

Efficiently manage your flight assignments, ensuring a smooth and tailored journey through the virtual skies.
